DIE & MOLD TECHNOLOGY DAYS 2019

June 27 - 28, 2019 | Pfronten

DIGITAL SOLUTIONS FOR DIE & MOLD

With more than **50 years of experience**, die and mold is one of the most important branches of DMG MORI.

By involving our customers at an early stage, we together develop **individual and holistic complete solutions** for a digitized production.

Experts from the industry will present their experiences in digitization, reorganisation and the value chain in die and mold. Live demonstrations on DMG MORI machining centers illustrate the increase in productivity and optimization of process reliability.

Take the opportunity to get in touch with our experts and exchange experiences directly.

We are looking forward to your participation.

Your team of DMG MORI Die & Mold Excellence Center at DECKEL MAHO Pfronten.

DMG MORI Die & Mold Excellence Center

In its Die & Mold Excellence Center DMG MORI bundles decades of experience in Die & Mold making through a promising and future-oriented product portfolio.
